MLBB TOURNAMENT

INTRODUCTION

Mobile Legends: Bang Bang (MLBB) has been gaining popularity and creating an increasing impact among the gaming community in Northeast India and across the country. With the rapid growth of mobile esports, MLBB provides a competitive platform for players to demonstrate their individual gameplay skills, teamwork, communication, and in-match strategy.

EVENT DESCRIPTION

The tournament will bring together teams that will compete against one another through their driving skill, coordination, tactical decision-making, and ability to adapt during matches.

EVENT FORMAT

In the initial stage, participating teams will be managed and scheduled by the event committee through the online competition format. The final match will be conducted physically at the Institute campus, providing a competitive esports experience for participants and spectators.

Team Size: 5 members per team.

Expected Participation: Online registration will be conducted in advance. If more than 40 teams register, only the top 40 teams will be shortlisted to compete.

EVENT STRUCTURE

ROUND 1 - League / Group Stage:

- The selected 40 teams will be divided into 4 groups of 10 teams each.
- Teams within each group will play round-robin matches.
- The group winners will advance to the knockout stage.

ROUND 2 - Knockout / Quarterfinal Stage MLBB TOURNAMENT RULE BOOK :

- The qualified teams will compete in elimination matches to determine the semifinalists.

ROUND 3 - Semifinals

- The four qualified teams will compete in the semifinals.
- The winners will advance to the final, while the losing teams will be eliminated.

ROUND 4 - Final

- The two semifinal winners will compete in the final match, which will be conducted at the Institute campus, to decide the 1st and 2nd positions.

FAIRNESS & SUPERVISION

- Faculty coordinators and student volunteers will supervise and referee every match.
- The tournament rulebook will be applied uniformly to all teams to ensure fair play and transparency.
