ADDOVEDI 2026

National Institute of Technology Arunachal Pradesh

ADDOVEDI 2026 • Theme: Enter the Arena

1. Event Overview

Treasure Hunt is the campus-wide clue-solving adventure of ADDOVEDI 2026, NIT Arunachal Pradesh. Teams race across the arena, decode riddles and puzzles, reach hidden checkpoints and follow the trail to the final treasure.

Each solved clue leads to the next location. The team that completes the trail correctly, in the right order and in the shortest time, wins the hunt.

WHAT THE HUNT TESTS

AREA	WHAT TEAMS DEMONSTRATE
Logical reasoning	Decoding riddles, ciphers and puzzles correctly
Observation	Spotting hidden details at each location
Teamwork	Dividing tasks and deciding quickly as a team
Navigation	Finding locations across the campus efficiently
Technical knowledge	Answering engineering and general knowledge based clues
Speed	Completing the trail in the shortest valid time

2. Team Formation and Registration

2.1 Participants must compete in teams of **3 members**.

2.2 Members of a team may be from different branches, years or institutions unless the organisers announce otherwise.

2.3 A participant may be a member of only one team.

2.4 Each team must nominate a **team leader**, who will be the point of contact with the coordinators.

2.5 Teams must provide valid and accurate registration details.

2.6 Every participant must carry a valid student ID card from their institution.

2.7 Team composition cannot be changed after registration without permission from the coordinators.

3. Reporting and Briefing

3.1 Teams must report at the venue and time announced by the organisers.

3.2 All members of a team must be present at the start. A team that is late may be allowed to start without extra time, at the coordinators' discretion.

3.3 A briefing will be held before the hunt starts. The hunt area, boundaries, out-of-bounds locations and time limit will be explained there.

3.4 Each team will receive its starting clue and any materials issued by the organisers (such as a clue sheet or team card) at the start.

4. Event Format

The Treasure Hunt is played as a trail of clues. Solving a clue reveals the next checkpoint, where the team finds or receives its next clue. The trail ends at the final treasure location.

START **Briefing** → SOLVE **Clue** → REACH **Checkpoint** → FINISH **Treasure**

4.1 The number of rounds and checkpoints will be announced by the organisers.

4.2 Different teams may receive clues in a different order so that teams do not follow each other.

4.3 The organisers may hold an elimination or qualifying round before the main hunt. Its format will be announced before it begins.

4.4 The overall time limit for the hunt will be announced at the briefing.

5. Clues and Checkpoints

5.1 Clues may be riddles, ciphers, pictures, puzzles, technical questions or physical tasks.

5.2 Clues must be solved in the given order. A team cannot skip a checkpoint.

5.3 At each checkpoint, the team must report to the volunteer stationed there or complete the verification announced at the briefing.

5.4 Clues placed at a location must not be removed, hidden, damaged or moved.

5.5 Teams must not share clues, answers or locations with other teams.

5.6 All members of a team must be present together when reaching each checkpoint.

6. Hints

6.1 Teams may be allowed to request hints from the coordinators. Whether hints are available, and how many, will be announced at the briefing.

6.2 Each hint taken may carry a time or point penalty, as announced by the organisers.

6.3 Hints are given only to the team leader and only at the locations the coordinators specify.

7. Scoring

Teams are ranked by how far they progress along the trail and how quickly they complete it. The general order of ranking is:

PRIORITY	BASIS
1	Number of checkpoints validly completed
2	Total time taken, including any time penalties
3	Number of hints used (fewer is better)

The organisers may use a points-based system for rounds or tasks. If so, the marking scheme will be announced before the hunt begins.

8. Tie-Breaking

If two or more teams are equal after scoring, the following are compared in order until the tie is broken:

COMPARE FIRST **Fewer hints used** → COMPARE NEXT **Fewer penalties** → COMPARE NEXT **Earlier last checkpoint**

If the tie still remains, the organising committee may hold a short tie-breaker challenge.

9. Safety Rules

9.1 Running in crowded areas, corridors, stairways and near roads is not allowed.

9.2 Teams must stay within the hunt boundaries announced at the briefing and must not enter out-of-bounds areas, labs, offices or hostels unless a clue leads there with permission.

9.3 Climbing walls, trees, roofs or any structure is strictly prohibited.

9.4 Campus property, plants and equipment must not be damaged or disturbed.

9.5 Teams must not use vehicles of any kind to move between locations.

9.6 Any injury or emergency must be reported to the nearest coordinator or volunteer immediately.

9.7 Participants must keep their phones reachable so the coordinators can contact them during the hunt.

10. Fair-Play Rules

10.1 Teams must not follow, track or copy other teams.

10.2 Taking help from anyone outside the team, including friends, seniors or non-participants, is not allowed.

10.3 Using the internet or apps to solve clues is allowed only if the organisers announce it for a particular clue.

10.4 Tampering with another team's clues or misleading another team is strictly prohibited.

10.5 Volunteers and coordinators must not be pressured for answers or hints.

11. Penalties

The coordinators may apply a time or point penalty for the following. The penalty for each will be announced at the briefing.

11.1 Reaching a checkpoint without all team members.

11.2 Entering an out-of-bounds area.

11.3 Taking a hint, where hints carry a penalty.

11.4 Ignoring a coordinator's or volunteer's instruction.

11.5 Minor misconduct or disturbing others.

12. Disqualification

A team may be disqualified for any of the following:

12.1 Removing, hiding, damaging or moving clues.

12.2 Taking help from outside the team or using unfair means.

12.3 Skipping checkpoints or submitting false answers or verification.

12.4 Damaging campus property.

12.5 Unsafe behaviour that puts participants or others at risk.

12.6 Misconduct or misbehaviour with participants, volunteers or coordinators.

12.7 Repeated violations after a penalty.

13. General Rules

13.1 Participants must follow the instructions of the coordinators and volunteers throughout the event.

13.2 Teams are responsible for their own belongings during the hunt.

13.3 The official time recorded by the coordinators will be used for all timing decisions.

13.4 The organisers reserve the right to modify or clarify the rules if required. Any change will be announced to all teams before implementation.

14. Final Authority

14.1 The decision of the coordinators / organising committee regarding scoring, penalties and disqualification will be final and binding.

14.2 Any situation not explicitly covered in this rulebook will be decided by the organising committee.

14.3 Any rule modification will be communicated to participants before implementation.
